13th October, 2017

Dear Principal,

Tsung Tsin Christian Academy (TTCA) Information Day

I hope the first month of your 2017-2018 school year has already been as fruitful as ours.

We are happy to inform you that we are having our TTCA Info Day on 19 November 2017. The theme of this year's Info Day is "Learning Adventures @ TTCA". This year, our main features are a talk I will personally hold which highlights our various DSS characteristics, a curriculum showcase of various subjects, interactive game booths set up by my students and some exciting stage performances. Attached is an event poster for even more information. We would greatly appreciate if you could share it amongst your parents' community.

If your students would like to apply for S1 in the 2018-2019 school year, they can find our S1 Application at: http://www.ttca.edu.hk/?page_id=139

And the link to our S1 Admission Principal Talk application is here:

http://www.ttca.edu.hk/?page_id=10535

In recent years, I have also reached out to different primary schools to offer seminars introducing the difference DSS schools provide and offering S1 interview skills. It would be my pleasure to address any of these concerns your parents might have as well. It can be done in person at your school in the form of a seminar, given either by me or by our Dean of either Academics or Student Development.

Again, I hope this letter finds you well and we wish you all the best this year.

Best Regards,

Kwan Oi Chu, Jenny
Principal
